

2015-16 Single Plan for Student Achievement

School: Carlin C. Coppin Elementary School
CDS Code: 31669516085252
District: Western Placer Unified School District
Principal: Shamryn Coyle
Revision Date:

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

For additional information on school programs and how you may become involved locally, please contact the following person:

Contact Person: Shamryn Coyle
Position: Principal
Phone Number: 916.645.6390
Address: 150 E. 12th Street
Lincoln, CA 95648-1825
E-mail Address: scoyle@wpusd.k12.ca.us

The District Governing Board approved this revision of the SPSA on .

School Vision and Mission

Carlin C. Coppin Elementary School's Vision and Mission Statements

MISSION STATEMENT: As a community, we will provide a safe, engaging learning environment for children to learn critical thinking skills, and become responsible citizens and problem solvers.

VISION STATEMENT: Students, staff, parents/guardians, and the local community will recognize our excellence, and see our school as a desirable place to be enrolled. Unique opportunities available include a strong emphasis on a small school environment, science, technology, and the arts, in addition to a rigorous core academic curriculum. The education process will be structured to encourage parental involvement and enlist community support in the education of our children. Students, parents, faculty and administration will be held accountable for meeting established expectations. We will monitor each student's learning on a timely basis and provide additional time and support for learning until the student becomes proficient.

Community and School Profile

Carlin C. Coppin Elementary School is located in the Western Placer Unified School District in the the city of Lincoln. The school serves Transitional Kindergarten through fifth grades; the enrollment is currently 396 , with two to three classes at each grade level. The ethnic makeup is as follows: 63.2% Caucasian, 28.8% Hispanic/Latino, 1% American Indian, 0.3% African American, 0.3% Filipino, and 6.4% Two or more races. The Principal is Shamryn Coyle. Scott Leaman is Western Placer Unified School District's Superintendent.

Parents play important roles at Carlin C. Coppin thorough their active participation and involvement in School Site Council (SSC), English Learner Advisory Council (ELAC), Parent Teachers Club (PTC), annual events and regular volunteering in classrooms. Parents support PTC activities such as family nights, school assemblies and purchases of new equipment and rewards. Parents also fully implement a monthly art docent program. Carlin C. Coppin is increasingly a focal point and source of pride for students and their parents.

SCHOOL FACILITIES

Carlin C. Coppin Elementary School is located at 150 E. 12th Street, Lincoln, CA. The school is in the Western Placer Unified School District. Carlin C. Coppin was built in 1972 and is named for former District Superintendent Carlin C. Coppin. The school was originally built with three learning pods, but has since been updated to include separate classrooms within each building. In addition to the original pods, the school also has a number of modular classrooms to address increased enrollment. Coppin also has a library, computer lab, art room, music room, science lab and main office.

SCHOOL LEADERSHIP

Shamryn Coyle has been the principal at Carlin C. Coppin Elementary since July 1, 2014. She holds a Bachelor of Arts Degree in Psychology and a Master of Arts Degree in Education as well as a Clear Administrative Credential and a Multiple Subject Teaching Credential. In addition to serving as a classroom teacher in elementary school, she has also served as an English Language Development Specialist and has served as a school site administrator for the past six years. With the collaboration and participation of all staff members, PTC, School Site Council, English Learner Advisory Council, Leadership and Youth Development teams the school continues to progress toward meeting school goals which are monitored through the analysis of data and effective instructional practices.

SCHOOL INSTRUCTION

Carlin C. Coppin uses state and district approved curriculum and is in the ongoing process of fully aligning curriculum and instruction to the Common Core State Standards to assure that effective instructional materials and techniques are being provided to students. Because of the unique population of our students, teachers and staff provide differentiated instruction to meet those student needs. This instruction is provided through on-going analysis of student achievement data that clarifies what each student needs. Teachers collaborate regularly to determine the best way to help students achieve as much as possible. Additional support services for helping students include two Special Day Classes, a Resource Program, Speech and Language services, Occupational Therapy, Adaptive Physical Education, a Bilingual Clerk/Instructional Aide, two Title I Intervention Service Providers, a Science teacher, and a Music teacher. A part-time psychologist provides limited support services in counseling and social skills training. Through community resources, counseling through Lighthouse Counseling Services is available to help students and families problem solve to meet student needs.

SCHOOL PROGRAMS & PRACTICES THAT PROMOTE A POSITIVE LEARNING ENVIRONMENT

Carlin C. Coppin staff has implemented a program called Positive Behavior Intervention Support. This program promotes character traits of responsibility, respect, safety, and unity. The training clarifies student behavior expectations and creates a positive approach through reinforcement to help students make good behavior choices. It also creates consistency on the part of the staff and how to deal with students that do not follow expectations. Additionally many staff members have been trained in the Love and Logic behavior strategies, which helps adults to deal with students through empathy, building positive relationships and teaching responsibility for one's actions. Parents show their involvement in assisting with the School Site Council, Parent Teacher Club (PTC), annual events, and regularly volunteering with classroom activities. Parents support the PTC activities such as educational/enrichment assemblies, purchasing of supplies/materials/equipment, rewards for positive behavior, and various fundraisers to assist CCC. Many parents play an active role in the Art Docent program that benefits our students. CCC also has a very active volunteer program supported by various community organizations such as Lion's Club, Rotary and Kiwanis and SCHOOLS (Sun City Helping Our Outstanding Schools). CCC also has an after school music program which includes both Band and Chorus.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

The majority of parents support the school climate and believe the learning environment to be positive with staff exhibiting high expectations for student achievement. While academic instruction remains a primary focus, a holistic approach to learning is also valued by parents. They appreciate the arts, music and computer experiences their students have. While most parents express an appreciation for the various interventions we provide, comments have also been made about the need to focus on instruction for our gifted and talented students as well. Most parents support the Accelerated Reader program used at Carlin C. Coppin and appreciate the home school connection. Our Positive Behavior Intervention Support (PBIS) program has been perceived as very positive by most parents. Most parents report that they feel welcome and supported by the school community.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The school principal observes teachers both formally and informally on a regular basis. Teachers are formally evaluated every other year; however frequent walk throughs and informal visits are common. New teachers are formally observed three times each year.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)

At the beginning of each new school year teachers review student performance data from past year's assessments with the intent of evaluating their instructional program from the prior year and establish new goals and objectives for the current year. This assists in both creating classroom lessons as well as immediately identifying any at-risk students that should be brought to the schoolwide intervention team.

2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Teachers participate in weekly Professional Learning Community (PLCs) activities to collaborate and review current assessments, develop new goals, and share effective instructional practices. During these meetings teachers also use the data to create or modify their weekly intervention groups; this instructional time is call Spotlight. Each grade level has 30 minutes of leveled, differentiated instruction in their greatest area of need as identified through the use of formal and informal assessments.

Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA)

All teachers are highly qualified as certified by Human Resources.

4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers are appropriately credentialed. Both the district and the county office offer ongoing professional development that teachers can take advantage of. Teachers have access to the core curriculum as well as supplementary materials needed to support instruction.

5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

All staff development opportunities are aligned with the district annual goals and Professional Development Plan as well as that of the school site and the assessed needs of the student.

6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Two district instructional coaches are available to work with all teachers to support the district's Professional Development Plan, as are personnel from the county office.

7. Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

All teachers participate in Professional Learning Communities and collaborate at least twice a month on early release days. Early release days occur every Monday as well as additional days throughout the year.

Teaching and Learning

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

All subject areas, report cards and testing are aligned with California Common Core Content Standards. Assessments are aligned with District adopted curriculum. Classroom instruction is based on the standards.

9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Teachers develop weekly lesson plans, as well as some long term plans. Plans include the recommended instructional minutes in each of the curricular areas. Grades 1-3 allot 2 1/2 hours a day, grades 4-5, 2 hours for Language Arts and an hour a day for Math for all grade levels. Additionally, time is allotted for enrichment activities.

10. Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Grade level teacher representatives, along with District Office personnel have developed pacing guides to guide their daily, weekly, and monthly instruction. Common assessments also are developed to guide instruction. Time is also allotted for targeted intervention four days a week, called "Spotlight".

11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Standards based textbooks and supplemental materials are available to every teacher and all students, both general education and special education.

12. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All materials adopted and used by district teachers meet the requirements of the California Department of Education.

Opportunity and Equal Educational Access

13. Services provided by the regular program that enable underperforming students to meet standards (ESEA)

These services include: retired adults volunteering in classrooms, parent volunteers assisting in classrooms, district paid aide in Kindergarten to further support instruction, targeted intervention at all grade levels four days a week, mainstream and inclusion classes for special education students, cross age tutors, ongoing assessment and progress monitoring, regular meeting of site intervention team, regular meeting of Student Success Team

14. Research-based educational practices to raise student achievement

Targeted intervention groups use Systematic Instruction in Phonemic Awareness (SIPPS), use of core novels, Read Naturally, district adopted math curriculum, and other RtI intervention activities. Teachers also use Accelerated Reader, Lexia and additional computer based activities to support the curriculum. Teachers are trained in Explicit Direct Instruction strategies, as well.

Parental Involvement

15. Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Resources include: parent teacher conferences, parent volunteers in classroom, after school tutoring, use of instructional assistants in Kindergarten, combination classes and special education classes, District provided prep time for teachers to allow for in depth planning, and collaboration time for teachers. There are also Intervention and Student Study Team meetings, Parent Teacher Conferences. The school district offers adult education English Learner programs. Lighthouse counseling center in Lincoln offers counseling and guidance services.

16. Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

N/A

Funding

17. Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Services include: Accelerated Reader, additional computer programs, supplemental materials and resources for staff. Special Ed funds assist with RSP and SDC, Speech and instructional materials.

18. Fiscal support (EPC)

The site receives both state and federal monies.

IV. Description of Barriers and Related School Goals

Several issues traditionally impede student achievement:

- *school funding
- *facility issues
- *access to technology
- *language barriers
- *inadequate or poor study skills
- *poor attendance patterns
- *families unable to assist their students at home due to academic or scheduling issues
- *communication

School and Student Performance Data

CAASPP Results (All Students)

English Language Arts/Literacy

Overall Achievement									
Grade Level	# of Students Enrolled	# of Students Tested	% of Enrolled Students Tested	# of Students With Scores	Mean Scale Score	Standard Exceeded	Standard Met	Standard Nearly Met	Standard Not Met
Grade 3	73	73	100.0	73	2443.3	30	30	22	18
Grade 4	65	64	98.5	64	2468.1	20	27	28	25
Grade 5	61	60	98.4	60	2479.7	8	32	28	32
All Grades	199	197	99.0	197		20	29	26	24

Grade Level	READING			WRITING			LISTENING			RESEARCH/INQUIRY		
	Demonstrating understanding of literary & non-fictional texts			Producing clear and purposeful writing			Demonstrating effective communication skills			Investigating, analyzing, and presenting information		
	Above Standard	At or Near Standard	Below Standard	Above Standard	At or Near Standard	Below Standard	Above Standard	At or Near Standard	Below Standard	Above Standard	At or Near Standard	Below Standard
Grade 3	26	49	25	32	49	19	23	70	7	27	56	16
Grade 4	19	59	22	27	48	25	22	61	17	17	48	16
Grade 5	15	43	40	18	52	28	10	55	33	20	63	17
All Grades	20	51	28	26	50	24	19	62	18	22	56	16

Conclusions based on this data:

1. This will serve as our baseline data to measure growth over time as this is the first year of CAASPP test results.
2. Approximately half of students tested met or exceeded the standards for ELA/Literacy
3. Reading: Demonstrating understanding of literary and non-fictional texts is our greatest area of need with the most students scoring below standard in this area.

School and Student Performance Data

Grade 5	8	33	58	5	55	40	3	60	37
All Grades	26	40	34	20	50	30	20	57	24

Conclusions based on this data:

1. This will serve as our baseline data to measure growth over time as this is the first year of CAASPP test results.
2. Approximately half of students tested met or exceeded the standards for Mathematics
3. Applying mathematical concepts and procedures is our greatest area of need with the most students scoring below standard in this area

V. School and Student Performance Data

CELDT (Annual Assessment) Results

Grade	2014-15 CELDT (Annual Assessment) Results											
	Advanced		Early Advanced		Intermediate		Early Intermediate		Beginning		Number Tested	
	#	%	#	%	#	%	#	%	#	%	#	
K					***** *	***						*****
1			4	44	2	22	3	33				9
2			2	33	2	33	2	33				6
3	1	14	3	43	2	29	1	14				7
4			3	75	1	25						4
5	1	14	1	14	5	71						7
Total	2	6	13	37	14	40	6	17				35

Conclusions based on this data by levels:

1. Kindergartners and first graders scored primarily in the early immediate range. Implications for this include the need for targeted EL instruction in these grade levels.
2. The majority of our English Learners fall within the Intermediate and Early Advanced ranges.
3. Targeted instruction in ELD will ensure that students continue to grow one level each year with reclassification to follow.

VI. Planned Improvements in Student Performance

Student Achievement

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet academic performance index (API) and adequate yearly progress growth (AYP) targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

LCAP GOAL:
All students will meet or exceed grade level standards in core academic areas
LEA GOAL:
1 & 3
Data Used to Form this Goal:
SBAC data for grades 3-5 in Language Arts and Mathematics, classroom, school site and district assessment data,
Identified Needs (findings from the analysis of data):
Significant attention needs to be paid to the development of a viable, standards based language arts curriculum; our SBAC data shows that 50% of our students met or exceeded standards. In 3rd grade reading and writing are the greatest areas of need. In 4th grade writing and research and inquiry are the greatest areas of need. Our SBAC data shows that 60% of our students met or exceeded standards in mathematics. In 3rd grade communicating reasoning is the greatest area of need and in 4th grade, problem solving and data analysis. Strategic attention will be focused on greatest areas of need while maintaining areas of strength.
Expected Annual Measureable Objectives (how the school will measure progress toward this goal):
<ol style="list-style-type: none">1. The percentage of all students (and significant subgroups) meeting or exceeding standard, as measured by SBAC, in English language arts and mathematics (grades 3-5) will increase 10% annually until 100% is obtained.2. The percentage of all students (and significant subgroups) proficient or advanced, as measured by CST/CMA, in Science (grade 5) will increase 10% annually until 100% is obtained.3. Common district benchmark assessments (2-4 per year) will be developed and implemented for English language arts and mathematics (grades 1-5) and baseline data established.4. The percentage of all students (and significant subgroups) meeting or exceeding standard as measured by trimester (grades K-5) report card grades, in all core areas will increase 10% annually until 100% is obtained.5. The percentage of all students (and significant subgroups) identified as GATE or High Achiever in ELA and math will increase by 0.5% annually until 10% is obtained.6. The percentage of all students (and significant subgroups) receiving special education services will decrease by 0.5% annually until 9% is obtained.7. All teachers will be highly qualified and appropriately credentialed for their teaching assignment(s).
First Interim Analysis:

Second Interim Analysis:

VI. Planned Improvements in Student Performance

English Language Acquisition

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet academic performance index (API) and adequate yearly progress growth (AYP) targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

LCAP GOAL:
All English learners will make adequate yearly progress toward language proficiency and being reclassified as fluent English proficient.
LEA GOAL:
2
Data Used to Form this Goal:
CELDT scores and school site and district assessments, report cards, observations
Identified Needs (findings from the analysis of data):
Our English Learner population continues to grow at Coppin. Overall our population continues to make movement towards proficiency with all of our students making one or more levels of progress or staying the same with no movement or loss. We did not experience any students with negative movement overall. However, a greater number of students continue to stay within the intermediate range for more than one year. We hope to see one level of growth per year with our EL students. According to CELDT data, reading and writing are the greatest area of need.
Expected Annual Measureable Objectives (how the school will measure progress toward this goal):
<ol style="list-style-type: none">1. The percentage of English learners progressing at least one language proficiency level, as measured by CELDT, will increase 5% annually until 100% is obtained.2. The percentage of English learners reclassified as fluent English proficient in 2015-2016 will meet or exceed 20%.3. 100% of the students reclassified as fluent English proficient in 2013-2014 and 2014-2015 will earn a "C" or better, or perform at or above grade level as measured by school site assessments and report card data in all core area classes in 2015-2016.4. All English learners will receive integrated and designated ELD to support attainment of spoken and academic fluency in English.

VI. Planned Improvements in Student Performance

Culture & Climate

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet academic performance index (API) and adequate yearly progress growth (AYP) targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

LCAP GOAL:
All students will be safe and actively engaged at school.
LEA GOAL:
4
Data Used to Form this Goal:
Daily attendance tracking and student discipline data from SWIS
Identified Needs (findings from the analysis of data):
Data Analysis shows the school's suspension rate has not increased from 2013 to 2014. In addition to that our suspension data remains lower than that of the state and the district as a whole. We will continue to focus on positive behavior and intervention support. We will continue to focus attention on school attendance until 98% is attained.
Expected Annual Measureable Objectives (how the school will measure progress toward this goal):
<ol style="list-style-type: none">1. The school's average daily attendance will increase by 0.2% annually until average daily attendance reaches 98%.2. Total suspensions will decrease annually.3. Total number of students with 0-1 documented behavior referrals will increase annually.4. Baseline data regarding students' hope, engagement and well-being, as measured by Gallup Student Poll, will be established.

VI. Planned Improvements in Student Performance

Learning Environment

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet academic performance index (API) and adequate yearly progress growth (AYP) targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

LCAP GOAL:
All students will receive instruction in up-to-date and well-maintained environments.
LEA GOAL:
4
Data Used to Form this Goal:
work order completion reports, report from county safety audit, technology help desk reports, FIT reports
Identified Needs (findings from the analysis of data):
School facilities and student safety continue to be an area of concern from the community. Continual attention and resources need to be allocated toward upgrading technology and modernizing the facilities to meet appropriate safety standards and create and maintain effective learning environments. Additional findings will be available after our participation in the safety audit in conjunction with the Placer County Office of Education.
Expected Annual Measureable Objectives (how the school will measure progress toward this goal):
<ol style="list-style-type: none">1. All students will have access to standards-aligned instructional materials.2. All school facilities will receive adequate (in good repair) rating, as measured by FIT.3. A district standard for technology in schools and classrooms will be developed.4. A plan for implementing the district standard for technology to ensure all schools and classrooms meet such standard will be developed.

VI. Planned Improvements in Student Performance

Parent Involvement

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet academic performance index (API) and adequate yearly progress growth (AYP) targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

LCAP GOAL:
All parents will be actively engaged in their child's learning and school community
LEA GOAL:
1, 2 & 5
Data Used to Form this Goal:
School Messenger reports show that the school has significantly increased outgoing communication through the use of electronic and phone communication. Direct parent and community involvement is high at Coppin as evidenced by our large volunteer base that is actively involved on campus on a regular basis. In addition to that our Parent Teacher Club added several new board members this year due to an increase in active involvement.
Identified Needs (findings from the analysis of data):
Parents have indicated they would like to have a variety of information nights which include topics on: math, the common core standards, the use of technology, general school information and Title I program information. Parents have indicated they would like to have more immediate access to their child's progress in school through the use of technology and ongoing communication. The school will utilize Jupiter Ed for grades 1-5 to help facilitate communication and information as well as social media, School Messenger, news letters and other media.
Expected Annual Measureable Objectives (how the school will measure progress toward this goal):
<ol style="list-style-type: none"> 1. A comprehensive district parent involvement plan, aligned with Epstein's Framework for 6 Types of Parent Involvement, will be developed. 2. A system for collecting data regarding parent involvement will be developed for each of the 6 types of parent involvement. 3. Baseline data for parent usage of Schoology and JupiterEd will be collected.

Goal 4: Physical Fitness/Health & Wellness	7,300.00
Goal 5: School Climate	880.00
Goal 6: Parent Involvement	
Goal 10:	
Goal 11:	

IX. Title I: Home/School Compact

It is important that families and schools work together to help students achieve high academic standards. Through a process that included teachers, families, and students, the following are agreed upon roles and responsibilities that we, as partners, will carry out to support student success in school and life.

Student Pledge:

The Student Pledge:

I know school is important to me. I want to learn and grow. I understand that my parent/caregiver(s) want(s) to help me do my very best in school. I am responsible for my own success, and I must work hard to do well. I agree to carry out the following responsibilities to the best of my ability:

- Follow directions and always try to do my best in my work and behavior.
- Follow all classroom and school rules.
- Complete my classwork and homework and turn in my assignments on time.
- Come to school prepared to work with all necessary materials.
- Be in school each day and on time.
- Show respect for myself, my school, and other people.

Student's Signature _____ Date _____

Parents Pledge:

The Parent/Guardian's Pledge:

I realize that my child's school years are very important and I understand that my participation in my child's education will help his/her achievement and attitude. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- Ensure that my child is at school on time every day.
- Provide a quiet place for my child to study, and be sure any necessary materials are available.
- Assist my child in being healthy, neat and clean.
- Maintain up-to-date home, work, and emergency numbers at the school including health care forms.
- Attend school functions such as Back to School, individual conferences, and Open House.
- Talk with my child about his/her activities each day.
- Make sure my child gets a good night's sleep.
- Monitor my child's homework and promptly sign and return all notes.

Parent/Guardian's Signature _____ Date _____

Staff Pledge:

The Staff Pledge:

I understand the importance of the school experience to every student, and my roles as the teacher and model. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- Provide a comfortable, safe, orderly and supportive environment that facilitates high academic achievement.
- Enforce the Carlin C. Coppin rules in the classroom and throughout the school in a fair and consistent manner.
- Provide intervention and enrichment opportunities for students.
- Facilitate parent/guardian involvement by providing information regarding student progress and goals, basic skill acquisition, and support strategies.

Teacher's Signature _____ Date _____

X. School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Contact Number	Year Term Ends	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Shamryn Coyle			X				
Daphne Van Stavern						X	
Rosabel Ortiz						X	
Jennifer VanSant						X	
Tiffany McGuire					X		
Rosanne Johnson						X	
Brandon Lopez				X			
Teresa Avelar					X		
Joanne Burke				X			
Jennifer Bowden					X		
Felix Sanchez						X	
Dulce Rosales						X	
Cindy Hood					X		
Numbers of members of each category:			1	2	4	6	

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

XI. Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply):**

State Compensatory Education Advisory Committee

Signature

X English Learner Advisory Committee

Signature

Special Education Advisory Committee

Signature

Gifted and Talented Education Program Advisory Committee

Signature

District/School Liaison Team for schools in Program Improvement

Signature

Compensatory Education Advisory Committee

Signature

Departmental Advisory Committee (secondary)

Signature

Other committees established by the school or district (list):

Signature

4. The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
5. This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This SPSA was adopted by the SSC at a public meeting on .
